About Us

Aset Plastic Industry

ASET was established in 1975 as a manufacturer and seller of plastic raw materials. The company started to manufacture the plastic toilet tank systems in 1980.

Our company's main focus is customer satisfaction through best quality products. In order to ensure this quality, it has certificates **TSE** (Turkish Standard Regulations), **ISO 9001** and advanced machinery. Our **R&D** team and moulding department keep up with the latest technology. **ASET PLASTIC** offers a wide range of products with the best quality and services.

Our factory and head office is located in Istanbul and have branches in Ankara, Adana, Antalya with experienced sales department. It also exports to many countries.

ASET PLASTIC has the mission of providing the best quality products with a good service and rapid delivery.

 **Toilet Tank**
Ürgüp Code: 1002 - B
(Hanging Type With Pipe)

 **Toilet Tank**
Ürgüp Gold Code: 1005 - B
(Hanging Type With Pipe) **GOLD**

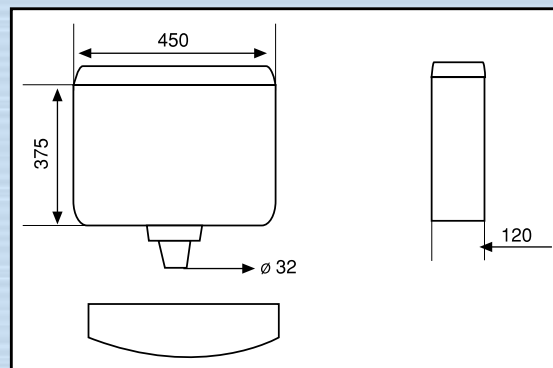

12 Lt

9 Lt

- Pipe length is 211 cm
- Easy and quick assembly
- With hydraulic closure fill set quick and easy filling
- Aesthetic and bright PP trunk surface
- Filling hose, pulling chain and assembly hanging screws are enclosed

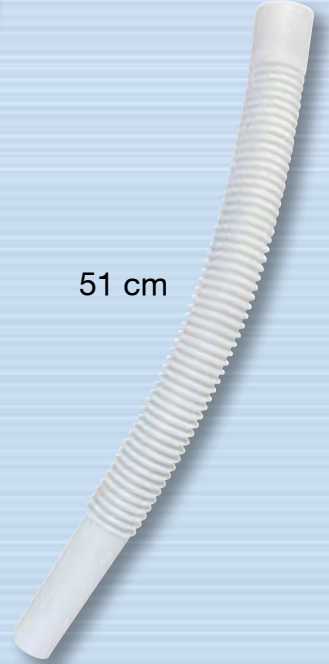

Toilet Tank
elale Code: 1001 (Over Toilet)

12 Lt

51 cm

- Easy and quick assembly
- With hydraulic closure fill set quick and easy filling
- Aesthetic and bright PP trunk surface
- Filling hose, pulling chain and assembly hanging screws are enclosed
- Saves water whenever it is stopped

Gold Toilet Tank
elale Code: 1004 (Over Toilet)

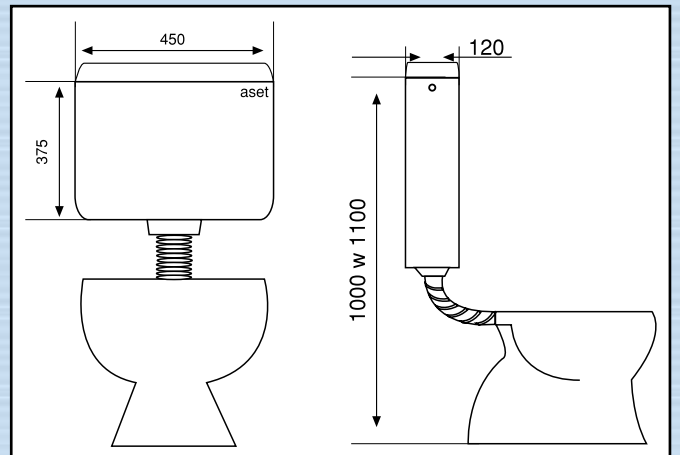

GOLD

51 cm

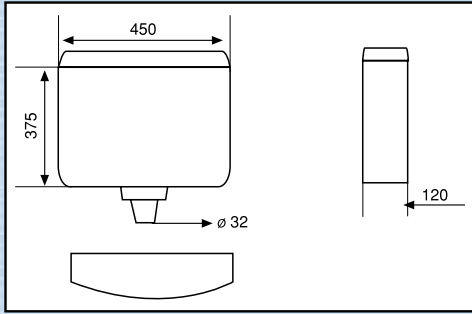

9 Lt

Toilet Tank
Ürgüp Code: 1002 (Hanging Type)

12 Lt

Toilet Tank
Gold Ürgüp Code: 1005 (Hanging Type)

GOLD

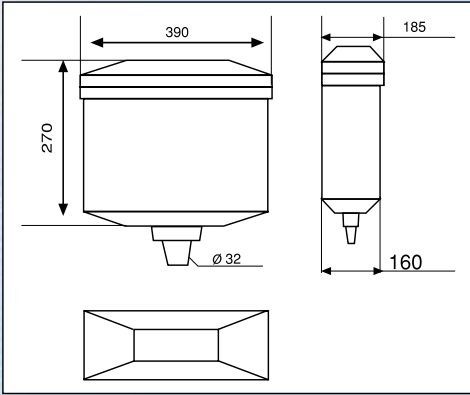

9 Lt

- Easy and quick assembly
- With hydraulic closure fill set quick and easy filling
- Aesthetic and bright PP trunk surface
- Filling hose, pulling chain and assembly hanging screws are enclosed

Toilet Tank
Efes Code: 1003 (Hanging Type)

9 Lt

Toilet Tank
Efes Code: 1003 - B (Hanging Type With Pipe)

9 Lt

- Easy and quick assembly
- With hydraulic closure fill set quick and easy filling
- Aesthetic and bright PP trunk surface
- Filling hose, pulling chain and assembly hanging screws are enclosed
- Perfect usage in narrow spaces

- Pipe length is 211 cm

Connection Tubes (For Toilets)

Code: 5009

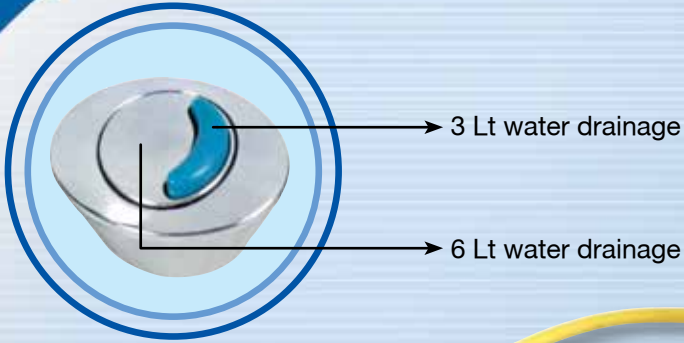

- It is strengthened with the steel wire used in the accordion
- Raw material of the accordion has the specificity of dirt sliding
- Gasket parts are produced of a special type of PVC flexible and long-lasting
- We can produce in different lengths
- Compatible with all the toilets

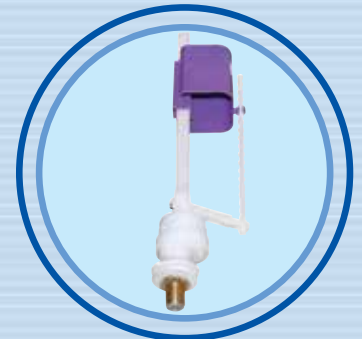

GOLD

Vitrified Toilet Tank Fittings

3 - 6 Lt Gradual Fitting Code: 2001

- 3 - 6 Lt water drainage
- Easy and quick assembly
- Water entrance options of bottom or side
- Hydraulic closure fill sets
- Silent fast filling and sudden water stopper
- Long-lasting silicone gasket
- 5 years of warranty

Gold inlet valve

* All the inlet valves are tested one by one with water.

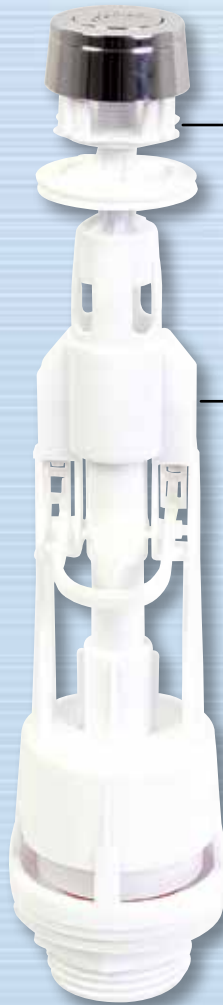

Vitrified Toilet Tank Fittings

GOLD Push Type Fittings Code: 2002

Water filling set

→ Height can be fixed for all toilets

→ Long-lasting 1st quality raw material

- Water entrance options of bottom and side
- Easy and quick assembly
- Hydraulic closure fill sets
- Silent, fast filling and sudden water stopper
- Long term and efficient use
- All the models have 5 years warranty (except rubber parts)

→ Leakless and flexible closing gasket

→ Firm and easy assembly firm cage

Vitrified Toilet Tank Fittings

GOLD Pull Type Fittings Stopper Code: 2003

Water filling set

→ Height can be fixed for all toilets

→ Long-lasting 1st quality raw material

→ Leakless and flexible closing gasket

→ Firm and easy assembly firm cage

Duroplast Toilet Seat Covers
Stil Code: 3001

- Clenched at the top, metal hinged

- Aesthetic look
- Hygienic use
- Unfading and non-scratch
- Does not effect from water, humid and heat
- Metal (stainless steel) hinges are clenched at the top
- Quick and easy assembly

Duroplast Toilet Seat Covers
Prestij Code: 3004 (Metal hinged) - 3005 (Plastic hinged)

• Code: 3004

• Code: 3005

- Quick and easy assembly
- Plastic hinged with a special material
- Fits all the toilets applicable to standards

Toilet Seat Covers
Pamukkale Code: 3006

- Ergonomic
- Unbreakable and crack - proof
- Fits all the toilets, applicable to standards
- Plastic hinged
- Made of PP raw material.

Shower Sewer (Chromium Head)

- Made of PP raw material.
- Lid is chromium coated.
- It has a dirt binding part and can be cleaned.
- $\varnothing 32$ - $\varnothing 40$ - $\varnothing 50$ output is available.

Code: 6003

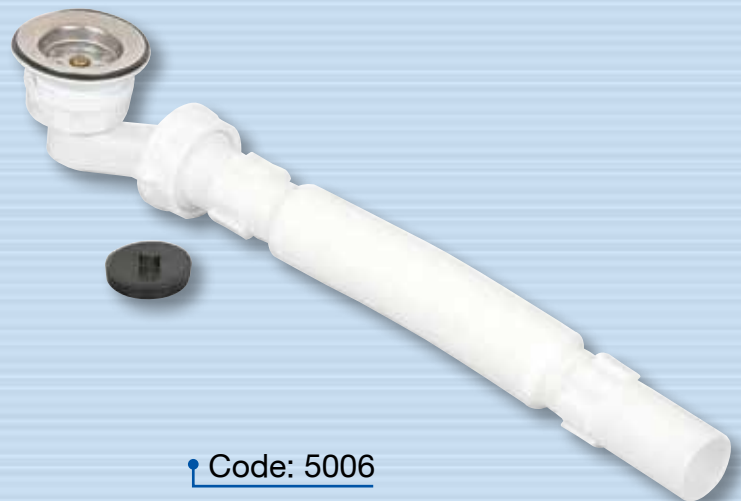

Code: 5004

Shower Sewer

Code: 5005

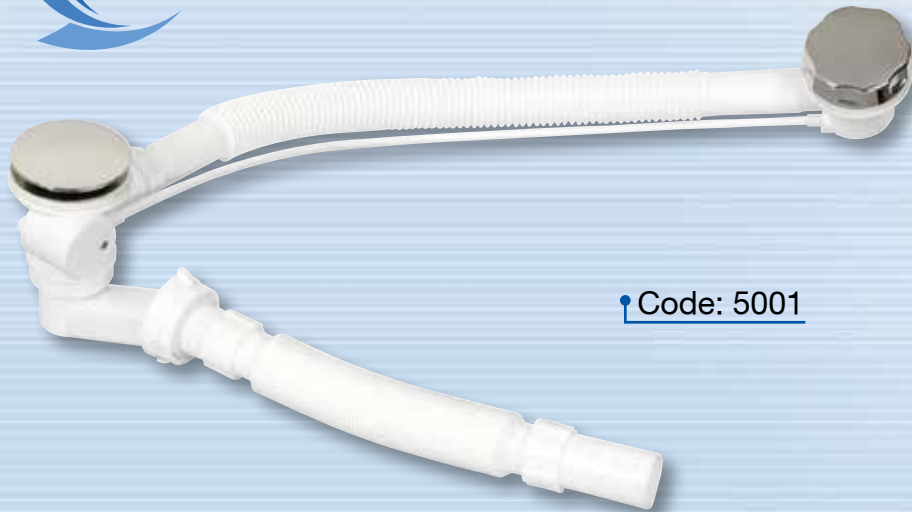

Code: 5006

- Height is 90 mm
- Metal parts are made of stainless steel

- Height is 90 mm
- Metal parts are made of stainless steel

Automatic Bath Tub Sewer

• Code: 5001

- Control bracket and lid is chromium coated.
- All the metal parts are made of stainless material.
- It has perfect control over the water in the bath tub.
- $\varnothing 32$ - $\varnothing 40$ - $\varnothing 50$ output is available.

Bath Tub Sewer

• Code: 5003

Wide Basin Kitchen Sink Siphon

• Code: 5503

- All the metal parts are made of 304 stainless steel.
- Used for vegetable washing and other facilities in kitchen sinks.
- It can be connected with dishwashers or washing machines.
- $\varnothing 32$ - $\varnothing 40$ - $\varnothing 50$ output is available.

Washbasin and Kitchen Sink With Basin

• [Code: 5504](#)

- Metal parts are made of stainless raw material.

• [Code: 5505](#)

• [Code: 6001](#)

Ground Siphons

• [Code: 5507](#)

• [Code: 5506](#)

- 10x10, \varnothing 32 - \varnothing 50 side output
- 10x10, \varnothing 32 - \varnothing 50 bottom output are available.

- 15x15, \varnothing 32 - \varnothing 50 side output
- 15x15, \varnothing 32 - \varnothing 50 bottom output are available.

• [Code: 5508](#)

- 10x10, \varnothing 32 - \varnothing 50 side output
- Top material is stainless chromium

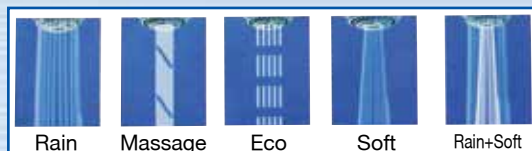

Washbasin and Kitchen Sink Siphons With Accordion

- Metal parts are made of stainless raw material.
- Accordion part can be lengthened up to 130 cm.
- Hygienic.

- Sliding 5 functions
- Slide pipe is made of stainless raw material.

• Code: 4001

- 5 functions hand shower

• Code: 4501

- 3 functions hand shower

• Code: 4502

- Hinged 3 functions

• Code: 4002

- Scale crusher stable hand shower

• Code: 4503

- Hinged scale crusher stable hand shower

• Code: 4003

- 150 cm spiral hose with double locker adaptor.
- It is made of epidien hose and stainless steel

• Code: 4504

Replacement Parts

Toilet Tank Fitting Spare Parts
